## RANGE AND FEEDLOT SALES

Prices of all classes of livestock declined this week. Decreased receipts at most midwest markets minimized to a certain extent the bearish effect exerted by sharp price declines in the carlot dressed meat trade, but even so, live prices worked lower. Slaughter steers sold steady to 75¢ lower and heifers steady to 50¢ lower. Slaughter cows closed the week mostly 50¢-\$1.00 lower. Feeder cattle were mostly steady while feeder calves which were offered in large volume sold steady to \$1.00 lower. Prices of barrows and gilts were uneven, the trend at eastern Corn Belt markets was steady to 35¢ higher while the trend in the western part of area was steady to 50¢ lower. Slaughter lambs sold 50¢-\$1.50 lower, with late sales at St. Paul \$1.50-2.00 off.

**SLAUGHTER CATTLE AND CALVES** - Moderately reduced receipts around the twelve market circuit failed to offset the bearish influence of a sharply lower carcass beef trade and slaughter cattle prices declined. A large share of the previous week's upturn was erased. Slaughter steers closed unevenly steady to 75¢ lower with heifers steady to 50¢ lower. In Sioux City steers and heifers grading high-Good and Choice closed 75¢-\$1.25 lower. On Monday some price strength developed on slaughter steers and heifers, but prices worked lower on subsequent days as buyers were faced with a declining dressed beef trade and attempted to bring live prices in line with dead costs. Current week's decline on steer and heifer beef erased all of the previous week's advance. In general buyers were very weight conscious with steers over 1100# and heifers over 900# finding best demand. Heifers generally were in better demand than steers. Cows were unevenly weak to \$1.50 lower, mostly 50¢-\$1.00 off with Canner and Cutter showing the most decline. Bulls were mostly steady. Vealers were steady to \$1.00 higher, except Prime \$2.00 lower in St. Paul. Bulk of the supply at most points was comprised of Good to average-Choice slaughter steers and heifers. Cows made up 13 percent of the 12 market receipts and feeders comprised 30 percent of the run.

**Slaughter steers:** In Chicago loadlots Prime 1175-1400# brought \$32.00-33.50 with bulk high-Choice 1150-1375# \$31.00-32.00. Over the area most Choice, including few Prime cashed at \$27.00-30.50; Good largely \$25.00-27.50. Standard and low-Good sold from \$22.50-25.00.

**Slaughter heifers:** High-Choice and Prime 900-1100# brought \$28.50-29.50, on Monday load high-Choice to mostly Prime 1080# cashed at \$29.75 in Chicago, highest for heifers in eight weeks, but nothing exceeded \$29.00 late. Bulk Choice brought \$26.00-28.50; Good \$23.00-26.00; Standard and low-Good \$21.00-23.50.

**Cows:** Utility and Commercial closed at \$14.00-16.50, Canner and Cutter \$11.00-14.00.

**FEEDER CATTLE AND CALVES** - Receipts of feeder cattle and calves at terminal markets continued seasonally large. Supplies of yearling and two-year-old cattle were somewhat smaller than either the previous week or a year ago but marketings of calves swelled to the largest volume thus far this year and exceeded the number marketed a year ago by a moderate margin. The calf run at Sioux City totaled 19,500 head, this the largest for any week in the history of that market. Western and northwestern areas contributed a substantial share of the week's over-all receipts and at Sioux City and St. Paul there was a sizeable number of Canadian origin. A large percent of the calf receipts consisted of Choice and mixed Choice and Fancy shipments. Relatively few yearlings and two-year-olds were Fancy but the Choice grade was liberally represented. Although a good demand continued to exist, the liberal supply of calves sold unevenly steady to \$1.00 lower in a reaction from the high levels which had been reached in previous recent weeks. Other feeder classes at mid-west markets showed very little departure from a steady basis. At Fort Worth, Wichita and Oklahoma City prices were steady to 50¢ higher, reflecting to some extent an expanded demand for cattle to place on wheat pastures.

**Feeder steers:** Bulk Good and Choice 800-1050# \$23.00-27.00, shipment 975# \$27.25 and few loads 800-850# \$27.50. Few loads Choice and mixed Choice and Fancy 550-650# \$29.50-34.50, one load 685# \$30.00. Other 550-750# running the full range of the Good and Choice grades \$23.50-29.25.

**Feeder heifers:** Good and Choice 500-550# \$22.00-27.50. Not many over 600# exceeded \$26.50 but two loads Choice 579# \$29.00.

**Feeder calves:** Moderate numbers mixed Choice and Fancy 300-450# steers \$38.00-41.50, part load Fancy 424# \$45.00 and large volume Choice 300-450# \$32.00-38.00. Mixed Good and Choice 300-550# steers \$26.00-33.00. Few loads Choice and Fancy 300-450# heifers \$32.50-35.00, Fancy 251# \$36.00; other Good and Choice 300-500# heifers \$24.00-32.00.

**HOGS** - Terminal Markets - At the twelve markets hog receipts approximating 331,000 head were 9 percent below the preceding week and 8 percent fewer than a year ago. Sow supplies at the eight markets comprised 10 percent of run. Marketings of barrows and gilts weighing 230-270# were substantially increased over recent weeks and outlet for these kinds was rather limited, particularly from mid-week on when a sharply lower dressed pork trade influenced a selected buying attitude. Trends on barrows and

gilts were uneven with most markets in the eastern Corn Belt steady to 35¢ higher while in the western part of the area, prices were steady to 50¢ lower, instances 75¢ off on weights over 260#. Sows were generally steady to 50¢ lower.

Barrows and gilts: U. S. 1-2, 190-240# at eastern Corn Belt markets closed at \$17.10-17.75, mainly \$17.00-17.50, No. 1-3 180-250# sold at \$16.75-17.25. In the western part of the area No. 1-2, 190-240# brought \$16.75-17.25, few \$17.50; No. 1-3, 180-250# sold at \$16.50-17.00, with a moderate volume 200-240# \$15.75-16.50 at Sioux Falls.

Sows: U. S. 1-3, 270-400# closed at \$14.50-15.75, No. 2-3, 400-550# \$13.50-15.00.

Feeder pigs were weak to 50¢ lower at St. Paul with Choice 120-160# \$15.50 to mostly \$16.00. At Sioux City prices were steady with Good and Choice 130-170# at \$14.75-16.50, few \$16.75.

Interior Iowa-Southern Minnesota receipts totaled 330,000 compared with 360,000 a week ago and 448,000 a year earlier. U. S. 1-3 200-250# weights made up the bulk of barrows and gilts offered. Sows estimated 8 percent of receipts. Prices advanced moderately through Wednesday under good demand and only moderate receipts. Prices declined later, however, as slow trading in the wholesale fresh pork trade and closing of the fiscal year for several packers narrowed the demand. For the week, barrows and gilts under 240# were steady to 25¢ lower; heavier weights 15-50¢ off. Sows steady to 25¢ lower.

Barrows and gilts: On Friday, U. S. 1-3 200-240#, \$15.75-16.50, small volume No. 1-2 \$16.50-16.90.

Sows: U. S. 1-3 270-400#, \$14.25-15.50, few No. 1-2 270-300# \$15.50-16.00; No. 2-3 400-550#, \$12.75-15.00.

Interior Illinois - Receipts totaled 121,800 head compared 138,400 last week and 147,500 a year ago. Supply largely No. 1-3, 200-250# barrows and gilts. For the week, 190-240# barrows and gilts sold steady to 25¢ higher. Butchers over 240# and sows closed mostly steady.

Barrows and gilts: On Friday, U. S. 1-3 190-230# \$16.00-16.75; mostly \$16.25-16.75; sorted No. 1-2 200-220# \$16.85-17.25; No. 1-3 230-250# \$15.50-16.25.

Sows: U. S. 1-3 250-350# \$14.75-15.25; few \$15.50-15.75; No. 1-3 350-450# \$13.75-14.75; No. 2-3 450-550# \$12.75-13.75; No. 2-3 550-600# \$12.25-13.00.

SHEEP AND LAMBS - Receipts at the 12 markets totaled 108,000 head, compared with 117,000 last week and a year ago. Sharply lower dressed lamb prices proved to be the primary factor influencing lower live prices. For the week, slaughter lambs were 50¢-\$1.50 lower with late sales at St. Paul \$1.50-2.00 off. Slaughter ewes were mostly steady, although Denver

was 50¢ higher. Feeder lambs were largely steady, except at Denver, where 40 percent of the lamb supply were feeders, prices were 50¢ higher.

Woolled slaughter lambs: At midwest markets Choice and Prime 85-115# closed at \$19.00-21.00, Choice 75-110# \$18.00-20.25, Good and Choice \$17.00-18.50. At Denver, Choice and Prime 91-113# \$21.60-22.20, Choice 80-119# \$19.50-21.55, Good and Choice \$18.25-19.70.

Shorn slaughter lambs: Choice and Prime No. 1 to fall shorn pelts 80-111# \$19.00-21.00, Good and Choice No. 3 to fall shorn \$17.50-19.00.

## WHOLESALE MEAT TRADE REVIEWS

### LESS THAN CARLOT MEAT TRADE REVIEW

EASTERN SEABOARD - Steer beef prices were fully 50¢ lower in New York while the trend was steady to \$1.00 higher at other Eastern markets; cow beef steady to \$1.00 lower, except Philadelphia 50¢-\$1.00 higher; veal and calf steady to weak at New York and Washington, while veal held steady to \$1.00 higher in other areas; lamb weak to \$2.00 lower at New York and Philadelphia, otherwise steady to \$1.00 higher; pork loins steady to \$5.00 lower, mostly \$3.00-5.00 off at close; other listed fresh pork cuts steady to \$1.00 lower, except fresh skinned hams steady to \$4.00 higher at Baltimore.

Kosher steer forequarters were 50¢-\$1.00 lower and lamb prices were fully \$1.00 off. Prices were unchanged for kosher dressed veal and calf foresaddles.

Normal supplies of all classes proved fully adequate at Eastern markets. Beef outlet continued uneven. Prices turned soft after mid-period at New York as some volume users curtailed weekly purchases sharply. Cow beef also met poor demand at New York. Veal grading high-Good or better was scarce and active while liberal showing Standard and low-Good held slow under pressure. Lamb was moderately active and legs enjoyed good outlet, while hindsaddles had first call at New York. Pork opened slow but became fairly active toward the close as lower prices influenced fairly broad demand. Clearance of beef, veal and lamb was incomplete at New York and Philadelphia.

CHICAGO - Steer beef sold fully \$1.00 lower, heifer \$1.00-1.50 lower, veal \$1.00 lower, lamb \$1.50-2.00 lower, pork loins 8-16# \$2.50-3.50 lower, Boston butts 4-8# \$1.50 lower, spareribs 3# down 50¢-\$1.00 lower.

Supplies were generally normal in all classes of fresh meat during the period. Trading in carcass beef was slow with prices weak to lower on each session. Additional weakness in the carcass trade was provided by downturns on arm and squarecut chucks and rounds, which were hard to sell. Most interests competed for ribs and loins. A moderately active opening veal trade slowed by Wednesday. Early demand fair throughout in the lamb division, however, carcasses slowed by midweek and at the close primal cuts were best moving. Fresh pork trade gener-

ally was slow except loins moderately active at the close.

PACIFIC COAST - Carcass steer and heifer beef moderately active, steady to 50¢ higher. Recent outshipment of carcass beef from California came to a standstill about midweek as prices declined in receiving areas. Cow beef was slow, weak to \$1.00 lower in Southern California, mostly steady elsewhere. Calf was fairly active, steady in California and steady to \$1.00 higher in the Pacific Northwest. Fresh pork cuts sold moderately active, steady to \$2.00 lower other than skinned hams steady to \$1.00 higher and in the Portland-Seattle area. Lamb was steady to \$1.00 lower in California, the decline in San Francisco; steady to 50¢ higher in Seattle and steady to 50¢ lower in Portland. Cured pork sold steady to \$2.00 lower with the most decline on sliced bacon and in San Francisco; best outlet was for smoked hams.

### CARLOT MEAT TRADE REVIEW

CHICAGO, DENVER, OMAHA, NEW YORK AND PHILADELPHIA - Demand was poor for normal supplies of steer and heifer beef. Trading was slow all week and prices declined. Prices on cow beef also declined on near normal supplies. Choice steer beef sold \$1.00-2.50 lower, mostly \$1.50-2.00 lower, Good sold 50¢-\$2.00 lower. Heifer beef sold \$1.00-2.00 lower. Cow beef declined \$1.00-2.00. Clearance was only fair on steer and heifer beef.

Trading was slow on normal supplies of carcass lamb. Demand was poor and prices were \$1.50-3.00 lower. Clearance was only fair.

Demand was only moderate for pork products. Supplies were fully normal. Trading was slow with pork loins \$2.50-4.50 lower at Omaha and steady to \$1.00 lower at Chicago where prices declined late in the previous week. Pork butts were \$1.50-2.50 lower. Fresh hams at Omaha were \$1.25-1.50 lower but steady to \$1.00 higher at Chicago. Pork carcasses also sold in an uneven trade with prices 25-50¢ higher at Philadelphia but mostly 50¢ lower at New York. Clearance was good on pork products.

# BOSTON WOOL MARKET REVIEW

The supply of greasy domestic combing wools in the Boston market was extremely limited, prices held firm. There were occasional sales of woolen wools and noils at about steady prices.

At the sealed bid sale in Portland, Oregon October 27 approximately one million pounds of Oregon, Washington, California, Idaho and Alaska wools were offered. Over 700,000 pounds were sold and private treaty trading continued into this week. Woolen and worsted mill buyers were among the twenty-four buyers present as prices held firm for most grades and strong for medium and coarse wools. A modest volume of choice 12 months wool sold in Texas at higher prices and some fall wool sold. Trading was limited in the fleece wool states.

The Australian market was animated with Eastern Europe, the Continent and Japan active with firm quotes and some classes of merino wools advanced about a penny. The South African markets were strong on combing types with little activity on short wools as prices were unchanged. The principal buyers included interests from France, United States, Japan and Italy. New Zealand markets were active with rising prices as local industry, the Continent and United States competed, while 56s and finer were firm with coarser wools advancing as much as 2½ percent. There was limited trading in Montevideo and occasional small lots of carpet type wools sold in Buenos Aires.

Fleece Wools - Sales in the fleece states were insignificant.

Territory Wools - California lambs wool grading 56s to 60s sold around 85¢ clean basis, delivered East.

Texas Wools - Approximately 300,000 pounds of choice 12 months wool sold in Texas at an estimated clean price of \$1.35 delivered East. Occasional small lots of fall wool continued to move around \$1.00 clean basis, delivered.

Mohair - There were occasional sales of adult hair at 71½¢ while straight kid mohair brought from \$1.40-1.50 to the warehouse in Texas.

Results of the sealed bid sale October 27 at Portland, Oregon follow:

Foreign Wools - There was very little activity in spot foreign wools. A large Uruguayan reputation clip bulk 56/50s sold to a Montevideo topmaker at an estimated duty paid clean price around \$1.19 delivered Boston. Cabled reports at week's end follow with combing wools converted to clean U.S. oil-combed yields and short wools to scouring yields, in bond.
